

Beautification Committee

Sea Isle City

This committee was formed in 2007 by City Council

This all volunteer committee meets regularly and makes suggestions to Council.

The committee has worked together with the City to improve our Christmas Decorations and add trees on JFK Blvd.

Our next project is to improve the entrance to Sea Isle via Townsend Inlet from Avalon. Our plan is to make a welcoming and peaceful memorial garden that will be inviting to all.

As you can see we have the plan in place and now is the time to place your order for a memorial paver that will be the centerpiece of this garden.

Our hope is to have the dedication of the garden take place in late 2009.

6x6 paver 4 lines - 10 characters/line \$100/paver

8x8 paver 4 lines - 13 characters/line \$150/paver

8x12 paver 5 lines - 15 characters/line \$200/paver

12x12 paver 6 lines - 15 characters/line \$250/paver

Note: a space counts as a character
