

The Sea Isle Sand Dunes Questers

*W*elcome to the Sea Isle Sand Dunes Questers's web site.

we are one of the many Quester Chapters in the State of New Jersey and there are Quester

Members all over the world. For those of you who are reading about the Questers' for the first time we are an International Organization of lovers of antiques, collectables and history who encourage an appreciation of antiques and the preservation and restoration of historical landmarks.

Our Chapter, the Sea Isle Sand Dunes Questers is made up of members from our island and we meet every fourth Wednesday of the month for lunch at each others houses. We also go on trips as we did to the Physick Estate in Cape May where we had lunch at the Tea Room. On other trips we also enjoyed seeing Historic Smithville and the Smithville Inn where we enjoyed lunch. During the holidays last year we were able to get a tour of The Doctor's Inn and enjoyed a delicious holiday meal at their restaurant. The Cape May County Historical Museum was visited by our Chapter and we then had lunch at the Sand Barrens. We also took part in Magnolia Lake Questers' history of stain glass that was held inside the Sea Isle City United Methodist Church where they have a beautiful large stain glass window that we were able to see up close.

For this October 22 meeting our Chapter will be hosting the New Jersey State Fall Conference that includes Questers' Chapters from all over New Jersey as well as Pennsylvania and members of the International Questers' who will be flying in to take part of the Sea Isle Sand Dunes Questers' Conference that will show the rich history of the Miss America that will be a fun and exciting program that highlights this great American Treasure.

I have been working with the Miss America Organization and Corinne Sparenberg who will take us behind the scenes of the pageant through the years. I've also have the pleasure of working with Michelle Dawn Mooney who actively participated in the Miss America Pageant and she will give us a first hand view of what it is like to participate in this great institution.

If you are able to come to this Conference you will also be able to see the Miss America crown and other Miss America historic memorabilia on display. We will be meeting at the Renault Winery where we will also be having lunch.

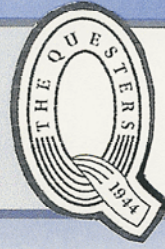

If you would like to become a member of the Sea Isle Sand Dunes Questers' and make some new friends and have lots of fun please call me at 263-3002. Yearly membership dues for the Questers' is \$20 and we look forward to hearing from you.

We would like to thank the Sea Isle City Taxpayers Association for including us on their web site.

Michelle Dawn Mooney

Michelle is currently the 5:30, 6 and 11 o'clock news anchor for NBC 40 in Atlantic City. She started her communications career hosting several morning radio shows, but music has always been her passion. An avid singer, songwriter, and pianist, she has performed professionally for more than ten years. Michelle has had the privilege of singing for the New York Jets and the Philadelphia 76ers, as well as a number of other sporting and entertainment events. Michelle also competed in both the Miss America and Miss USA systems, garnering a runner-up title to Miss New Jersey, as well as numerous talent awards. She can often be found speaking and performing at a number of charity events and has received accolades for the radio release of her first single, sales of which benefited fallen officers. In her spare time she can be found boxing, shopping, and baking.
