

THE
SOUTH END
 NEIGHBORHOOD ASSOCIATION

Making your home at the shore even more

The South End Neighborhood Association was formed September 1995 and includes 78th Street to 93rd Street. We represent over 1400 residences. We formed our organization because we wanted to keep the South End of Sea Isle free of rowdy behavior and unwanted noisy group rentals and through the years the organization has grown and has made a positive impact on this end of town keeping the community safe with positive behavior allowing everyone to enjoy the shore. The South End of Sea Isle City is a warm and friendly community with many rentals and year-round property owners. We engage in community projects to improve the neighborhood, maintain contact with Sea Isle officials regarding various South End projects. We invite you to join your neighbors by filling out the 2008 membership form and returning it with your check for \$10 to S. E. N. A. We have also expanded into the beautification of the South End Townsends Inlet Park by planting flowers at the entrance of the Townsends Inlet bridge and flowers at the entrances of the beaches. We also co-sponsor and support the shows and events at the Townsends Inlet Civic Center which benefits the community and is helping to save a very important and much needed historic building on our island.

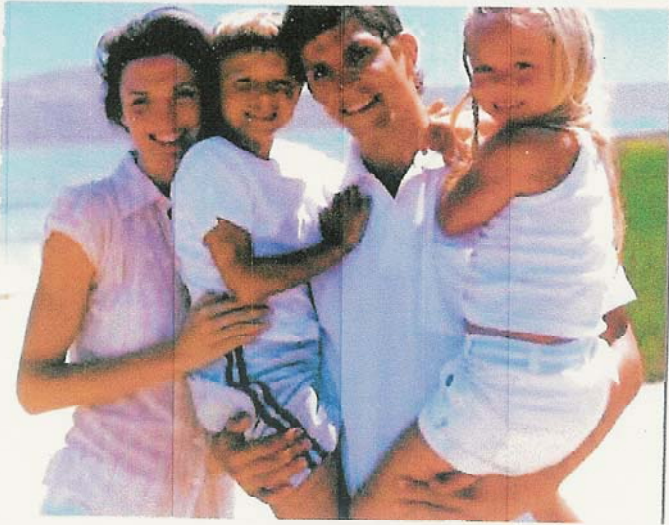

Join us for our membership luncheon at 12 o'clock on June 20th at the Townsends Inlet Yacht Club located at 87th and the Bay. You will receive your South End Neighborhood Association discount book and your membership card. If you have any questions please call (609)263-3002, We look forward to seeing everyone.

T I Park Playground

One of the goals that our past President Charles Schneller initiated was replacing the playground at the Townsends Inlet Park and as President I will continue working with the City to finish what Charles had started.

Visit us on the web at WWW.SICTA.ORG to keep updated on the Townsends Inlet Park and what is going on in the South End. This web site features T I Civic Center shows and events and the Townsends Inlet Garden Club.
