

SICTA Alert – September 10, 2008

Reminders

Town-Wide Survey – Many folks have gone on-line and taken our survey again this year, and we appreciate getting their opinions about City services. Overall results will be presented to City Government and at our next SICTA general membership meeting. But **we need to begin summarizing results, so you only have until September 21st to submit an entry.** You can take the new point and click survey on-line at www.sicta.org. Completed surveys are anonymous, confidential and, used only on an aggregated basis.

Help Save Sea Isle City Beaches! – It is still not too late to write to support City Government efforts to get more sand! We need you to write to your Legislators, so we have made it easy. You will find **sample letters with addresses at www.sicta.org**, so you can easily send messages to our Federal and State Representatives. It only takes five minutes to print, sign and mail them out, so surely the enjoyment of our beaches are worth that much effort.

Thank you in advance for your help with these two projects!
