

SICTA Alert – November 7, 2008

Beautification Committee Initiatives

Sea Isle City is Going Green – Everyone can now take advantage of an affordable and easy **tree planting service for your Sea Isle home**. The Committee's dream is to have trees lining the streets of our city, providing you with better curb appeal, more shade and cooler, cleaner air. A local landscaper will be planting the trees, with a 12 month guarantee, **so it does not get any easier than this!** To find out more information on costs, tree choices and sizes and/or to order trees, please read their brochure on the SIC Beautification Committee page: www.sicta.org/sicbeaut.htm

Memorial Garden Pavers – The Committee plans to improve the Sea Isle's Townsend Inlet entrance. They will be renovating the current non-functioning fountain area into a more welcoming and **peaceful memorial garden** that will be inviting to all. Plans for the garden have already been developed and provide an opportunity for you to purchase **memorial pavers that will be the garden centerpiece**. Would you like to see the plans? Well, the garden design and the ordering form for memorial pavers are posted on the SIC Beautification Committee page: www.sicta.org/sicbeaut.htm

SICTA applauds the time and effort which the Beautification Committee volunteers expended to organize both of these initiatives. They do not have advertising funds, and so we are helping to get the word out for them. Please take advantage of these opportunities for yourself as well as pass this alert along to others who may want to take advantage of these great offerings.

SICTA Meeting Reminder

Our next town meeting is scheduled for tomorrow, Saturday, November 8th at 1:30PM in the Community Lodge. **Our special guest speaker will be Steve Lonigan**, who is an advocate for New Jersey taxpayers. He is a TV, radio personality and author on the taxpayer subjects. The meeting is open to the public, so please plan on attending.
