

SICTA Alert – November 30, 2006

NEW Town Organization Web-Pages SICTA has begun offering web-pages to SIC civic organizations within our website. Many of these organizations do not have the expertise, time or expense to create their own websites. SICTA believes that providing an easy communication vehicle for them is a valuable taxpayer service. **Town Watch/Town Pride, North End Association and the Townsend's Inlet Improvement Association have all begun posting their own materials on our site recently.** You can visit individual organization pages at www.sicta.org for their own research, editorials, meeting and event calendars, membership applications and other useful information.

Holiday Show December 3rd The **Townsend's Inlet Improvement Association** will be having their annual Holiday Show this Sunday, December 3, at 7PM. A full announcement is now available on our website at www.sicta.org. Come and join in on the fun!

Sea Isle City Boulevard Improvements If you missed it, a recent Atlantic City Press news article discusses the **\$7 million of improvements** that Cape May County will be constructing on our main entryway. It is available now at www.sicta.org.

Help us to help you! Have you liked our improved website, email alerts, and now the new town organization pages? If so, SICTA needs your financial support to continue our good work. Please consider going to www.sicta.org/aboutsicta.htm to become a member and/or make a donation.
