

SICTA Alert – February 12, 2007

URGENT HELP NEEDED ON TOWNWIDE SURVEY If you have not mailed in your survey yet, we can now offer you an easier approach for forwarding your opinions to us. An on-line survey is now available via the following link:

http://www.seaisle.com/sicta_survey.asp

The on-line survey version was voluntarily constructed for us by Sofroney Real Estate, and while SICTA does not endorse any individual business, we greatly appreciate their support on this important townwide effort.

Completed surveys are confidential and will be included in our report on an aggregated basis only. Results will be presented to the Planning Board for consideration in their SIC Master Plan deliberations. **We will begin presenting preliminary results this month, so it is urgent that you share your opinions ASAP.**

SICTA will also be sharing the survey results at our next town-wide meeting on **Saturday, March 3rd, 1:30** in the Community Lodge. The agenda will be:

- ✓ Transportation
- ✓ Parking
- ✓ Recreation
- ✓ SICTA Survey Results
- ✓ North End Issues
- ✓ Open Discussion

This will be the fourth town meeting in our ongoing series leading up to the May elections for Mayor and Council Members (see website for copies of prior meeting slides and handouts). Issues discussed will be used as a basis for SICTA's candidate forums, which we expect to be hold over the next few months.
