

SICTA Alert – July 4, 2007
Happy Holidays!!!!

SIC Council Committees On Thursday, June 28th, our new Council-Elect held a public session requesting **citizen participation for a number of Ad Hoc Committees**. The session was well attended with many volunteers signing-up for the various committees. Our unofficial notes were:

- 1) Start-up will be the week of July 10th, so there is still time to become involved.
- 2) Participation is open to both residents and non-residents.
- 3) Each Committee has a council representative, who will not chair the committee.
- 4) Committee can recommend that the scope of their Mission Statement be adjusted, if they deem appropriate.
- 5) An additional set of separate business committees are already in full swing, but still taking volunteers. They were formed earlier this month, from the Council's public meetings with the business community.
- 6) Most of these committees are expected to be short term in nature, producing recommendations for Council consideration.

You wanted a more open, participative government. This is your chance to become involved. **Call City Hall if you are interested in joining a committee.**
