

SICTA Alert - September 22, 2006

SICTA has a new and improved website dedicated to keeping you up-to-date with important announcements, research and recent news. If you have not visited www.sicta.org lately, we think a trip is well worth your time.

It's Now Official! Over 600 voters have successfully petitioned City Government to offer you a **Ballot Referendum** on the future form of government in Sea Isle City. Don't miss out on this opportunity! SICTA's website is jam-packed with information on it for you.

Referendum Group's Public Town Meeting will be held on Saturday, September 23 at 1:30 PM in the Community Lodge. Get your questions answered on the Mayor / Council form of government. **Make an informed decision & vote on November 7th.**

Does Censorship have a place in Sea Isle City? SICTA received a letter from SIC's Tourism Development Commission the day before the Fall Family Festival. The letter, available at the SICTA website, announced a **newly written policy** "not allowing political activity at the festival." Do you think that the City appears more willing to regulate the content at Festivals than at outdoor radio broadcasts? See our "Recent SICTA News & Research" section at: www.sicta.org.

Federal Beach Replenishment for Sea Isle City is alive and kicking, with a chance for the project to be authorized by Congress over the next few weeks/months. Read about how you can help push to get it included in the final bill. See the "**Water Resource Development Act**" under "Recent SICTA News & Research" section at: www.sicta.org. See what sand replenishment did for Ocean City and imagine how much nicer Sea Isle City could look.
